From NHEP head East on 101A (Amherst Street) toward downtown Nashua. Turn right onto Main Street and then right onto Water Street. The road bends slightly to the right onto Factory Street. Take the next right onto Clocktower Place and then a right onto Pine Street. At Pine Street Extension, you will take the bend to the left which is Technology Way. Drive around the building to the parking lot in the back (which is really the front!). Walk up a flight of stairs and then take the elevator to the 4<sup>th</sup> floor. Take a right out of the elevator and look for the Working Futures sign on the door.
