

First Start Summer Program

First Start offers children a comfortable environment in which to play, create and explore.

Our Summer Program is open to children who have completed Kindergarten to twelve years. Some of our summer adventures include swimming and tennis lessons, miniature golf, theatre performances, science and history museum tours.

We provide many opportunities for swimming and enjoying the outdoors at New Hampshire State Parks and Beaches. While on campus children enjoy playing group games, sports, free swim at the Garrison pool, board games, cooking projects, arts and crafts activities.
