Empower Accounts

Thank you all for your hard work, effort, and professionalism throughout this year!

In a very tough year financially for the organization, our investments continued to do well, and Second Start was able to offer a Profit Share for all eligible employees* that has been deposited into your Empower accounts in the sum of \$1,000.

Saving for retirement can be very tough to get started and I hope these annual additions help you get on your way!

Bill Mealey

**Eligibility: All employees who have been with Second Start for more than six months and have worked more than 1,000 hours in the plan year receive a share. Unlike matching, it is not dependent on an individual's plan participation.*
