First Start Children's Center
Sibling Discount
Effective August 28, 2017

Effective August 28, 2017, First Start Children's Center will begin offering a sibling discount of 10% off of the weekly tuition of the least expensive child(ren) enrolled by one family unit. Any additional fees incurred will be at the full rate. For example, any late fees, NSF fees or extra days for those families who attend less than five days per week. If a family is using the NH Scholarship Program, the individualized rate for their additional children will be based on the sibling discounted rate.

For staff, the 15% staff discount will be applied to the most expensive child. Additional children will have their tuition adjusted by the sibling discount first and then by the 15% staff discount.
