

## **Certified Classroom Teacher**

Second Start Alternative High School is seeking an engaging certified classroom teacher for the 2024-2025 school year who will become part of a dynamic team that uses cross-curricular and hands-on activities to engage students. Project and field based learning opportunities are used frequently in meeting course competencies and teachers are given supported creative freedom to develop curriculum. There is a low student to teacher ratio which provides an opportunity to individualize instruction to meet student needs. The school culture fosters strong colleague connections and values rapport building with students.

Second Start offers a competitive salary structure, staff development opportunities, and a caring and supportive administrative team.

Please email resumes to [info@second-start.org](mailto:info@second-start.org) or mail to: AHS Search Committee at 17 Knight St, Concord, NH 03301.
